

Located at the foot of the Ligui Road of Lipu County , the Lipu Silver Cave Tourist Scenery Area is only about 85km from Guilin and 3km to Yangshuo.

The Silver Cave is a multi-storied karst cave. At present, about 2kilometers of the cave has been presented to tourists, including the lower cave, the grand hall and the upper cave. There many outstanding scenic spots:- the Waterfalls on Snow Hill, the Heavenly Screen of Music, the Deep Moon Palace, Three Treasures of the Buddha, The Pearl-decorated Umbrella and the Solitary Pillar Propping up the Sky.

The underground river winds its way through the mountain, full of twists and turns, mysterious and tranquil. Fisherman can be seen clearly in the still river water. The scenery on the river banks is picturesque. Tourists can sail to the Green Lake in the open air from the river. The Green Lake Hotel offers guests from home and abroad modern facilities, good service, secure and comfortable surroundings for sightseeing, leisure and business.
